- **The Last Detail** – Quick shine for paint, chrome, plastic, interior.
-

## Other Essentials

- Hand Cleaner
  - Leather Cleaner Foam
  - Leather Cream Feed
  - Perfection 3-in-1 Polish
  - Xtreme Panel/Glass
  - Fabric Protector
  - Splatter Bug Remover
  - Odor Eliminator
- 

## Tips & Tricks

- **Order of Use:** Clean → Enhance → Protect → Touch-up
  - Use in full sun (unless otherwise noted).
  - A little goes a long way.
  - Combine: Project-X + Wash & Wax + Quick-N-Slick/Endure XXL.
  - Combine: Wash & Wax + Quick-N-Slick, Endure XXL or AutoBond XT
  - Use Wash & Wax + microfiber for interior dusting.
  - Croftgate products work great at home too—on floors, glass, appliances.
- 

## Microfiber Towel Care

- Use minimum 300 GSM, 70/30 microfiber towels.
  - Wash separately with mild detergent.
  - Avoid fabric softeners & dryer sheets.
  - **Hang to dry** (or low-fluff setting, no heat).
-
